SKU# AFS

FEATURING:

- Angle Fit Naturally Holds Earbuds in Place
- Exceptional Quality Stereo Sound
- Fits All Ear Sizes
- Attractive Clear/Silver Cord
- Includes Soft Velvet Carrying Pouch
- Includes Clothing Clip to Hold Cord in Place
- Includes Extra Silicone Rubber Eartips
- Built-in Microphone for Crystal Clear Hands-Free Communication
- Compatible with most Smart Phones including iPhone, Droid and Blackberry
- Enjoy Music and Take/Make Phone Calls using Built-in Microphone
- Cord clip will help hold earphone in place
- Compatible with most stereo audio devices including Tablets, Laptops, Desktop Computers, CD Players and DVD Players
- Push-Button Switch to Pause/Play or Take/Make Hands-Free Phone Calls
- Short cord is ideal for clip-on MP3 players such as Sansa Clip and the Apple iPod Shuffle

VERSATILE DUAL-PURPOSE CORD:

- Earphones are integrated with a short cord that is about 18-inches long and has a standard stereo 3.5mm male plug
- Extension cable is 39-inches long and has a 3.5mm standard female jack to accept existing stereo earphones
- Extension cable can convert your earphone into a hands-free wired headset for use with most cell phones

FEATURES:

- Angle-Fit Stereo Earphone

Earphone has 17mm size driver to produce exceptional sound. Driver is inside a soft beveled button-shaped earpiece that rests in the large opening of the ear and an angled tip extends down into the ear canal to magically holds the earphone in place in the Ear.

Acts as a hands-free wired earphone to communicate using most smartphones. Cord Clip unit contains microphone and push-button switch to answer and initiate phone calls. Switch will pause/play music in many different kinds of cell phones and MP3 players.

COMPATIBILITY

- Apple iPhone, iPod, iPad and Most Cellular Phones, Including Blackberry Curve, LG, HTC, Motorola Droid, Thunderbolt and most Cellular Phones that have a 3.5mm earphone jack
- Listen to Music then Accept Incoming Calls Using the Push-button Switch
- Use with MP3 Players, Tablets such as Galaxy Tab, Kindle Nook and More
- Use with Laptop Computers, Desktop Computers, DVD Players, CD Players
- Compatible with most audio equipment including Assistive Listening Devices
- Short 18-inch cord comes apart from cord-clip unit so earphones can be used with clip-on MP3 players
