

# Model NRH-SYM

## Acoustic Headphone Adapter with 2 Meters of Tubing

**\$75.00 Each**

Scan Sound, Inc. NRH-SYM

### TWIN MODULAR PLUG ADAPTS TO SINGLE TUBE

- Connects to Siemens MRI system patient sound systems through tubing adapter
- Adapter will connect Scan Sound acoustic stereo headphones into MRI sound systems that have only a single plug connector
- Comes with 2 meter long tubing so acoustic headphones can reach the audio port positioned at the foot of the patient table
- Enables patients to be pushed all the way inside of the MRI magnet while wearing the acoustic MRI headphones

### NRH-SYM DESIGN AND MATERIALS

- Adapter is totally inert, made from plastic materials that are safe for use with all MRI magnets
- Will not be affected by High Magnetic Fields
- Adapter is compatible with most MRI patient sound systems
- Comes with a variety of tubing sizes that can adapt to various types of plugs and connectors to ensure compatibility with most MRI systems
- The vinyl tubing can be cut shorter for a custom fit for your MRI scanner

### FEATURES

- Enables MRI scanning facilities to purchase Scan Sound headphones and adapt them to MRI sound systems using one MONO audio port
- Can be adapted to fit onto existing tubing, port connector or molded plugs
- Made totally from plastic and vinyl tubing that is inert and will not interfere with the MRI scanner
- Will not be affected by high magnetic fields, including 3T or higher MRI scanners

### COMPATIBILITY

- Adapter is compatible with all types of Siemens MRI scanners
- GE MRI Scanners use twin modular plugs, and in most cases they do not need any type of special adapters
- Included vinyl tubing sizes enable the tubing to connect to most MRI stereo systems
- This item can be returned for a refund if it does not fit your MRI sound system

### SPECIFICATIONS

- Manufacturer - Scan Sound
- Accepts Twin Barbed 1/4-inch Plugs from the Twin Modular Plug of Scan Sound acoustic headphones
- NRH-SYM adapter will plug into MRI sound systems that have only a single port connection
- Color - Clear
- NRH-SYM comes with 6.52-ft Long (2 Meters) that can be cut shorter
- Packaging - Resealable Plastic Bag
- Invisible to MRI Scanners
